Lt. of Classification NFN Meyers;  
Major M. Johnson;  
Capt. S. Stafford,

Defendants

C.A. No.: 0:08-01850-RBH

**ORDER**

This matter is before the court for review of the Report and Recommendation of United States Magistrate Judge Paige J. Gossett, made in accordance with 28 U.S.C. § 636(b)(1)(B) and Local Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with this court. See Mathews v. Weber, 423 U.S. 261, 270-71 (1976). The court is charged with making a de novo determination of those portions of the Report and Recommendation to which specific objection is made, and the court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions. See 28 U.S.C. § 636(b)(1).

The Plaintiff filed no objections to the Report and Recommendation. In the absence of objections to the Report and Recommendation of the Magistrate Judge, this court is not required to give any explanation for adopting the recommendation. See Camby v. Davis, 718 F.2d 198, 199 (4th Cir. 1983).

After a thorough review of the Report and Recommendation and the record in this case, the court adopts Magistrate Judge Gossett's Report and Recommendation and incorporates it herein. It is therefore

**ORDERED** that the defendants' motion for summary judgment is granted as to the plaintiff's federal claims. The court declines to exercise supplemental jurisdiction over any state law claims, and any such claims are dismissed without prejudice. Plaintiff's "motion" filed October 15, 2008 is moot..

**IT IS SO ORDERED.**
